

# Celebrating the New Year as a Family

## Five Fun and Easy Activities to Ring in the New Year

This year, celebrating the New Year may be a little different. Many of us have planned a low-key, at-home celebration with our immediate family. While your event may be a little more toned-down, it can still be full of family fun!

If you are looking for a few fun and easy activities for your celebration, our teachers at New Horizon Academy shared a few of their very favorite family-friendly New Year's Eve Celebration ideas.

Here are a few ideas to celebrate at home as a family.

### Setting Goals for the New Year and Year in Review

Spend time together reviewing the events of 2020 and setting goals for 2021. It is a wonderful way to engage in fun discussions. Use our Year in Review and Goals for 2021 Sheet to guide your conversation. Save the Year in Review and Goals for the 2021 and review next year.
