Our Story

New Horizon Academy, a Minnesota family-owned and operated company, has been serving young children since 1971. Our founder, Sue Dunkley, began her career as an elementary school teacher. Sue knew she needed to provide a nurturing place for children to go before they ventured out into the big world and entered school, a place that would help them believe in themselves. That is why New Horizon was born.

Today, Chad Dunkley, Sue's son and one of New Horizon Academy's first students, is our Chief Executive Officer. Chad ensures that the commitment to excellence Sue strived for in New Horizon's early years and the foundation that our company was built upon continue to be the cornerstone for each New Horizon Academy. Indeed, the entire mission, philosophy, and practices of New Horizon Academy are devoted to that commitment to excellence and the development of a healthy sense of self in every child enrolled in our programs.

Because of our continuing love, belief, and dedication to children, we have flourished and become one of the nation's most successful and respected providers of child care and early education.

As New Horizon Academy continues to grow and serve more families each year, we will always have family roots, a warm atmosphere, an open door, and a commitment to excellence.

Where Love & Learning Grow

We offer comprehensive early educational programs designed to help prepare children for success in elementary school and beyond in 88 locations in Colorado, Iowa, Idaho, and Minnesota.

Company Milestones

1970s

Founded by Susan and William Dunkley, New Horizon Nursery School opens.

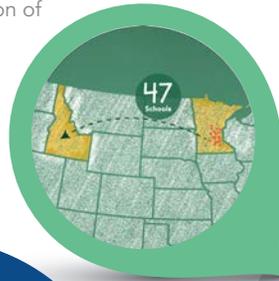

A New Horizon

"I believe each and every child deserves a new horizon."
- Susan Dunkley, Founder

1990s

Our commitment to excellence continues with our acquisition of several schools in Idaho and the operation of 47 schools in Minnesota.

1980s

We are the first school to use sign language in infant classrooms to enhance communication and language development.

2010s

We continue our commitment to innovation and create the farm-to-table program for our schools. We are one of the first early childhood organizations to make a commitment to the Partnership for a Healthier America.

2000s

Our schools earn accreditation from the National Association for the Education of Young Children (NAEYC). We also earn the highest rating from Parent Aware.

Today

We continue to expand and thrive as one of the nation's most successful and respected child care providers with 100% of our schools nationally accredited.

Most Admired CEO

"We provide the best possible learning environment for children during their most formative years." - Chad Dunkley, Chief Executive Officer

In past years, Chad participated in the Child Care Reform Advisory Panel for the Center for American Progress and served on the board for Ready 4K. He is a frequent spokesperson and presenter on early childhood issues and has been interviewed and featured in numerous publications.

Caring Beyond the Classroom

Children and staff at New Horizon Academy engage in service learning projects through our Caring Beyond the Classroom program.

Throughout the year, students engage in activities that give back to the local community. Activities may include fundraising for various charities, food drives, back-to-school supply drives, adopting a park, book or toy drives, planting trees in local parks, coat and mitten drives, crafts with senior citizens, cards to support the troops, and many more.

The Caring Beyond the Classroom program cultivates a lifelong commitment to service and diplomacy. The program encourages collaboration and problem-solving, while it promotes social responsibility, positive citizenship, empathy, kindness, and compassion.
