

Happy Grand
Friend's Day!

This is your day!
We're sending big hugs
And best wishes your way!
It's always such fun
Whatever we do
We just want to shout out
How much we love you!
Thanks for playing and laughing
and helping us grow,
Reading stories and singing
And loving us so!
You're special, you're loved
Each and every day
So we just want to wish you
A special Grand Friend's Day!
