## Tie Dye Day Activity

Tie Dye Day is celebrated on April 30. It is a day for children and families to get creative as they celebrate color, individuality, and expression of the fabric arts. We at New Horizon Academy have a great tie-dye craft for you and your child to complete together, and it only requires a few simple supplies.

### Materials Needed

- Baby Wipes
- Rubber Bands
- Washable Markers
- Paper Towels

### Instructions

1

**Step One:** Pinch the center of a baby wipe in your hand.

2

**Step Two:** Twist into a roll and carefully attach a few rubber bands.

3

**Step Three:** Have your child use a marker to color each section of the baby wipe.  
*Hint: The more the marker gets into the folds, the more vibrant the color will be.*

4

**Step Four:** Remove the rubber bands and gently unfold the baby wipe. Lay on top of a paper towel to dry.
